

RADIO M * A * S * H MAKE A SMILE HAPPEN

Frequently Asked Questions:

1. Q: What is Radio M*A*S*H?

A: Radio M*A*S*H is an annual toy drive to collect toys and funds for less-fortunate children in the Brazos Valley. Last years event provided toys for over 6,200 Brazos Valley children!

For Recipients:

1. Q: Where can I register my child for a toy?

A: Start with your child's school. Many schools participate in Radio MASH and can assist you in getting the proper form filled out so your child receives a toy for Christmas this year! If your school isn't participating, there are many agencies and churches in the Brazos Valley that will assist you in filling the form out as well.

2. Q: Can't I just call the radio station and fill out a form over the phone?

A: You must register with your child's school or an agency that provides your family with assistance. The radio station will not be signing up children.

3. Q: How do I get my child's toy after Radio MASH is over?

A: The agency or school that your child is registered with has designated a contact person for the group. The contact will be notified that the toys are ready. At that time they will disburse the toys for the entire group.
